PAM'S POST

After completing the club's final board meeting for this fiscal year, I realize how fast my last two years as president have gone. I would like to say each year gets easier, but new challenges and new opportunities make the position sometimes fun and sometimes frustrating. However, I would like to focus on the positive, which includes fun, fundraising and friendship!

Also, I can honestly say that I am proud to represent the Woman's Club of Royersford as their president with a reminder that I don't do this alone. I have a group of smart, talented ladies who serve on the board and support me by helping in the decision making.

Finally, I look forward to the next two years, continuing to enjoy our time together and continuing our common goal of serving the people of Royersford and surrounding areas and making a difference in the lives of others.

Enjoy your summer with family, friends, and fun. See you in September!

Pam Mertz, President
